CLEAR COATS

ULTRA HIGH SOLID

H79 SPRINT AIR WIDE Key Product 🔑

- Ultra high solid count
- Quick air dry
- User friendly
- Excellent adhesion
- Energy saving product

H69 VANTIX CLEAR

- Brand new to the market
- Prevents sagging
- Easily applied
- Excellent spreading
- High gloss
- Fast drying time

HIGH SOLID

H59 SPRINT-AIR GT Key Product 🔑

- 2K HS acrylic clear coat
- Fast cure
- High gloss finish
- Excellent resistance to scratching

H55 GT CLEAR HS

- 2:1 High Solid clear coat
- Excellent gloss
- Very good results with a half coat and finishing coat
- Excellent resistance to yellowing and scratching

MEDIUM SOLID

H43 ACRYTEK CLEAR Key Product 🔑

- Medium solid clear
- Excellent gloss
- Excellent resistance to scratching
- Unmatched quality and performance

SPECIALTY CLEAR

H89 VANITY MATTE CLEAR

- 2K Matte gloss acrylic
- Perfect matte finish
- Excellent adhesion
- Easy application

Product #:	Mix Ratio:	Hardener:	Dry Time (70°F)	Bake Time (140°F)	Sizes:
H43	2:1	C01, C02, C03, C22	6-7 hours	15-25 min	1L or 5L
H55	2:1	C01, C02 C03, C20, C15, C16, C17, C22	6-7 hours	25-30 min	1L or 5L
H59	2:1	C15, C16, C17, C22	2.5 hours*	15-18 min	1L or 5L
H69	2:1	C67, C68, C69	8 hours	40-50 min	1L or 5L

H89	5:1	C89	15 hours	30 min	1L

* Ready to Handle in 1 Hour

PUTTIES

P50 FIBERGLASS

Key Product 🔑

- Reinforced with fiberglass
- Easily sanded
- Used to repair holes in sheet metal and fiberglass panels

S35 PLASTIC PUTTY

Key Product 🔑

- Versatile and flexible
- Made specifically for plastic repair
- High adhesion
- Easily sanded

S99 UNISOFT WHITE

Key Product 🔑

- Light and easily spread
- No gum coat
- Easily sanded
- Does not run

S20 FINE METAL

- Two component filler
- Contains aluminum powder
- Great over welds
- Very easily sanded

S61 ONELIGHT PUTTY

Key Product 🔑

- Body Filler
- High quality
- Ultra lightweight
- Easily spread
- Does not run
- Great on any surface

SC1 CHAMELEON

- All purpose putty
- Changes color when ready to sand
- Excellent adhesion
- Excellent finishing

S21 ALUMINUM

Key Product 🔑

- Two component filler
- Contains aluminum flakes
- Great over welds
- Very easily sanded

S64 LIGHTWEIGHT PUTTY

Key Product 🔑

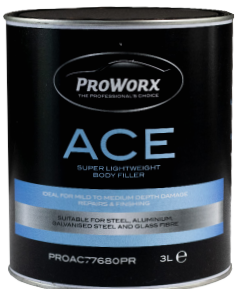

- Body Filler
- Lightweight
- Easily spread
- Does not run
- Great on any surface

SC8 GLAZE PUTTY

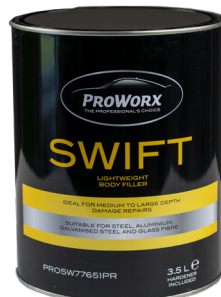

Key Product 🔑

- Premium finishing glaze
- Ultra smooth finishing
- Excellent adhesion
- Minimal sanding required

PROWORX ACE

- Ultra Lightweight
- Great for large surface repairs
- Easy spread, sanded and applied

PROWORX SWIFT

- Lightweight
- Easily Spread and Sanded
- Ideal for filling large areas

PROWORX PLEX

- Flexible and versatile plastic filler
- Easily spread and sanded
- Quick turnaround

PROWORX SILK

Key Product 🔑

- Ideal for minor imperfections
- Excellent adhesion and sanding
- Easy application

Product:	Dry Time:	Sanding:	Sizes:
P50	<10 min	P40-P80	500mL or 4L

PRIMERS

AIR PRIMERS

F76/F77/F78/F79 SPRINT-AIR PRIMER

Key Product

- Ultra fast
- High solid count
- Rapid dry
- Provides even finish
- Can be overpainted by any kind of finish
- Available in four colors

PRIMER/SEALERS

F56/F57/F58/F59 ACRYLIC PRIMER

- High solid, low solvent
- Fast hardening
- Easily sanded
- Even, high gloss finish

F12/F13 WOW PRIMER

- Acrylic Primer
- Perfect for wet on wet application
- Excellent leveling
- Fast dry time

SPECIALTY PRIMERS

F70 EPOS PRIMER

- High solid two component
- Non-absorbing
- Even and high gloss
- Easily sanded
- Rapid dry

F99 WASH PRIMER

- Vinyl butyral primer
- Superior protection against corrosion
- High adhesion

F18 POLYESTER PRIMER

- Polyester filler for spray application
- Quick hardening
- Ideal for deep indentations
- Allows for vertical application

A11/A12 SPOT PRIMER

- High adhesion
- Anti-Corrosive
- Rapid dry time

Product #:	Color:	Mix Ratio	Dry Time (70°):	Sanding	Sizes:
A11	Dark Gray	N/A	<10min	P600-P1000	400mL
A12	Light Gray	N/A	<10min	P600-P1000	400mL
F12	Gray	5:1:2	N/A	P600-P1000	1L
F13	Dark Gray	5:1:2	N/A	P600-P1000	1L

F99	Gray	1:1	N/A	P400-P500	1L

PROTECTORS AND ADHESIVES

YA1/YA2 GLADIATOR Key Product

- Perfect for texture coating
- Excellent resistance to scratching
- Sprayable in various levels of coarseness
- Available in Black or Tintable

B320 UNDERCOATING

- Protective paint for anti abrasive action
- Can be overcoated in 30-40 minutes

Product #:	Color:	Size:
YA1/YA2	Black/Tintable	1L or 4L
B320X	Black, Gray, White	1L
BS96X	Black, Gray, White	310mL
VP50	Black	50mL

BS96 SEAM SEALER Key Product

- Solvent free
- Quick dry
- High solid count
- Perfect for weld bead
- Can be painted over by any kind of finish

VP50 TWINPLAST Key Product

- Ideal for plastic repair
- Fast dry time

ULTRA VIOLET

F01 UV PRIMER

- 1K filler
- Very high thickness
- Easy application
- Fast dry with UV rays
- Painted over by any finish

H01 UV CLEAR COAT

- 1K acrylic clear coat
- Ready to use
- Very easy to apply
- No drop run

S01 UV PUTTY

- 1K polyester putty
- Ready to use
- Very fast dry with UV rays

D01 UV THINNER (FOR PRIMER)

D03 UV THINNER (FOR CLEAR)

Product #:	Mix Ratio:	Thinner:	Dry Time (UV):	Sanding:	Sizes:
F01	0-10%	D01	3-5 min	P320-P400; P600-P1000	500mL
H01	2:1	D03	10 min	N/A	500mL
S01	N/A	N/A	2-5 min	P60-P120; P180-P220	410mL

ANCILLARIES

V01 ANTISIL ADDITIVE

- Reduce craters and popping on surfaces

V03 SPRINTER

- Accelerating additive for primers and finish

V04 SPOT BLENDER

- Fade out thinner

V09 ANTISIL

- Anti-silicone detergent
- Surface cleaner

V10 ANTISIL

- Water based silicone degreaser.

V11 ANTISIL

- Anti-silicone degreaser
- GT Line Specific

V31 MATTING AGENT

- Matting agent for 2K enamels and clearcoats

A05 PLASTIC PRIMER

- Adhesion promoter for plastic car parts

Product:	Size:
V01	1L
V03	500mL
V04	1L
V09	5L
V10	5L
V11	5L
V31	1L
A05	200ml or 750ml

MASKING

ICR SPRINT MASKING TAPE

Key Product

- Perfect for masking
- No sticky residue

Product #:	Color:	Size:
NAMA19	Tan	3/4in x 50m
NAMA38	Tan	1.5in x 50m
ACSPUGN	White	1/2in x 50m

HAND CLEANERS

V51 HAND CLEANER

- Cream hand cleaner
- Red - finer
- Blue - coarser
- Lavender scented
- Pump available

V52 HAND CLEANER

- Paste hand cleaner
- Lavender scented

Product #:	Scent:	Size:
V51 - Red	Lavender	4Kg
V51 - Blue	Lavender	4Kg
V52	Lavender	4Kg
